OneBeacon Technology Insurance

is a brand of OneBeacon Insurance Group, Ltd., that delivers all-lines underwriting solutions for the technology, life science and medical technology, and telecommunications industries. The specific capabilities offered include risk control, claims and third-party vendor solutions. Products span property, casualty, cyber, E&O, international and products liability. Our dedicated team of insurance professionals delivers custom solutions as needed to each of our customers.

About Electronic Components Industry Association (ECIA):

The Electronic Components Industry Association (ECIA) was formed in 2011 by the combination of the National Electronic Distributors Association (NEDA) and the Electronic Components Association (ECA). The Association connects all segments of the electronic components industry including manufacturers, authorized distributors and manufacturers' representatives. ECIA members are involved in networking, development of industry guidelines and standards, advocacy, research, conferences and exhibitions and special interest roundtables. **Coverages may be underwritten by one of the following insurance companies: Atlantic Specialty Insurance Company, Homeland Insurance Company of New York, Homeland Insurance Company of Delaware, OBI America Insurance Company and OBI National Insurance Company.*

This material is intended as a general description of certain types of insurance coverages and services. Coverages and availability vary by state; exclusions and deductibles may apply. Please refer to the actual policies or consult with your independent insurance advisor for descriptions of coverages, terms and conditions. Some coverage may be written by a surplus lines insurer through a licensed surplus lines broker. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
